150K+ UK fax numbers - market from your existing PC and office phone lines.

The Fax Broadcasting Kit from Endeверus Data gives your business the ultimate marketing tool. Your existing PC and phone lines can market your offers to 150,000 UK businesses, and you can choose exactly the type of company you wish to receive your promotions. Using the easy-to-follow data search and selection tool, you can choose your targets by line of business, postcode, turnover size and number of employees. You can not only choose companies in a particular sector, you can choose the size of firm within your desired sectors. Up to 12 times cheaper than direct mail, fax broadcasting delivers superb results, and the Fax Broadcasting Kit can expand and improve your marketing and sales fast and easily.

Fax Marketing Kit- just £149 + VAT

The Fax Marketing Kit gives your business the opportunity to run direct marketing fax campaigns from your existing PC and phone lines. Target 200K+ businesses and get THREE free gifts
